

FavorHouse of Northwest Florida, Inc.

Volunteer Group
Information Package

Dear Volunteer Group Leader,

By gathering together to do good at FavorHouse, you are making all the difference in the lives of survivors of abuse. As they bravely unbind themselves from their batterers and knock down barriers to become independent, it is your generous commitment of time and compassion that makes it possible. Groups like yours keep FavorHouse's mission alive.

FavorHouse is dedicated to helping victims of intimate partner violence to create a new beginning for themselves. We are also passionate about educating our community on recognizing and preventing abusive behaviors, preventing teen dating violence, and being a resource to those who are dealing with various forms of abuse. We couldn't do these things without volunteerism, contributions, and advocacy from community members...like YOU.

It is our sincere hope that you will have a meaningful experience working with FavorHouse and that you will have the opportunity to see, firsthand, the impact you are making. Thank you for choosing to spend your time and energy with us!

Welcome aboard!
